- Thesis: Deep RL for text summarization and ranking queries
- Advisor: Dr Pedram, Dr Soheili

**BSc** Kharazmi University, Computer Science Sep14-Jun19

- GPA: 2.09
- Bachelor Project: Reinforcement Learning for Hill Climbing
- Advisor: Dr Pedram

## RESEARCH EXPERIENCES

---

**Dissertation**, Kharazmi University 2021

**Title:** Deep RL for text summarization and ranking queries

**Advisor:** Dr Pedram, Dr Soheili

### Skills Acquired:

- Deep Learning
- Reinforcement Learning
- Ranking Methods
- Python Programming
- Pytorch and TensorFlow Frameworks

**Bachelor Project**, Kharazmi University 2019

**Title:** Reinforcement Learning for Hill Climbing

**Advisor:** Dr Pedram

### Skills Acquired:

- Reinforcement Learning
- Python Programming
- TensorLayer Framework

## TEACHING EXPERIENCES

---

**Kharazmi University** 2017

**Teacher Assistant**, Fundamentals of Statistics and Probability

## SKILLS

---

**Languages** Python, Java, MATLAB

**Frameworks** TensorFlow, PyTorch, TensorLayer, Tensorforce

**Tools** Git, LATEX, Trello

**Soft Skills** Teamwork, Communication, Problem Solving, Accountability, Hard Worker
